

2017 Summer School Programs

In-Person Programs

Below are some of the available options for summer school programs that are approved by Saint Mary High School. Summer school programs are also available at additional public schools. These programs may also be approved, however please check with the guidance department to ensure that it is an approved method of credit recovery before you register your student.

APEX

- Please contact the guidance department for a list of available courses for athletes and non-athletes

Notes:

- **Athletes planning to play at the college level MUST make up their failed courses in-person at an approved summer school program, or online via APEX (NCAA Clearinghouse approved version). Educere may not be used for athletes, as it is not an approved form of credit recovery by the NCAA Clearinghouse.**
- ALL summer school courses for credit recovery MUST be completed no later than September 7, 2017.
- Please contact your student's guidance counselor with any additional questions.
