

## Permission Form

### Gael for the Day

Dear Parent/Guardian:

We welcome your student to St. Mary High School to visit for the day. They will be in the company of a current St. Mary student and attend all classes with the student.

A parent/guardian must accompany your child into the building on the day of the visit with the signed permission form. We also require a parent/guardian to come into the building at the end of the day to pick up your child.

Please contact St. Mary High School to schedule your visit.
